SHAKE THE TREE OF DEMOCRACY

By Chaplain America PDV 193

"RETURNING HATE FOR HATE MULTIPLIES HATE, ADDING DEEPER DARKNESS TO A NIGHT ALREADY DEVOID OF STARS. DARKNESS CANNOT DRIVE OUT DARKNESS; ONLY LIGHT CAN DO THAT. HATE CANNOT DRIVE OUT HATE, ONLY LOVE CAN DO THAT." MLK
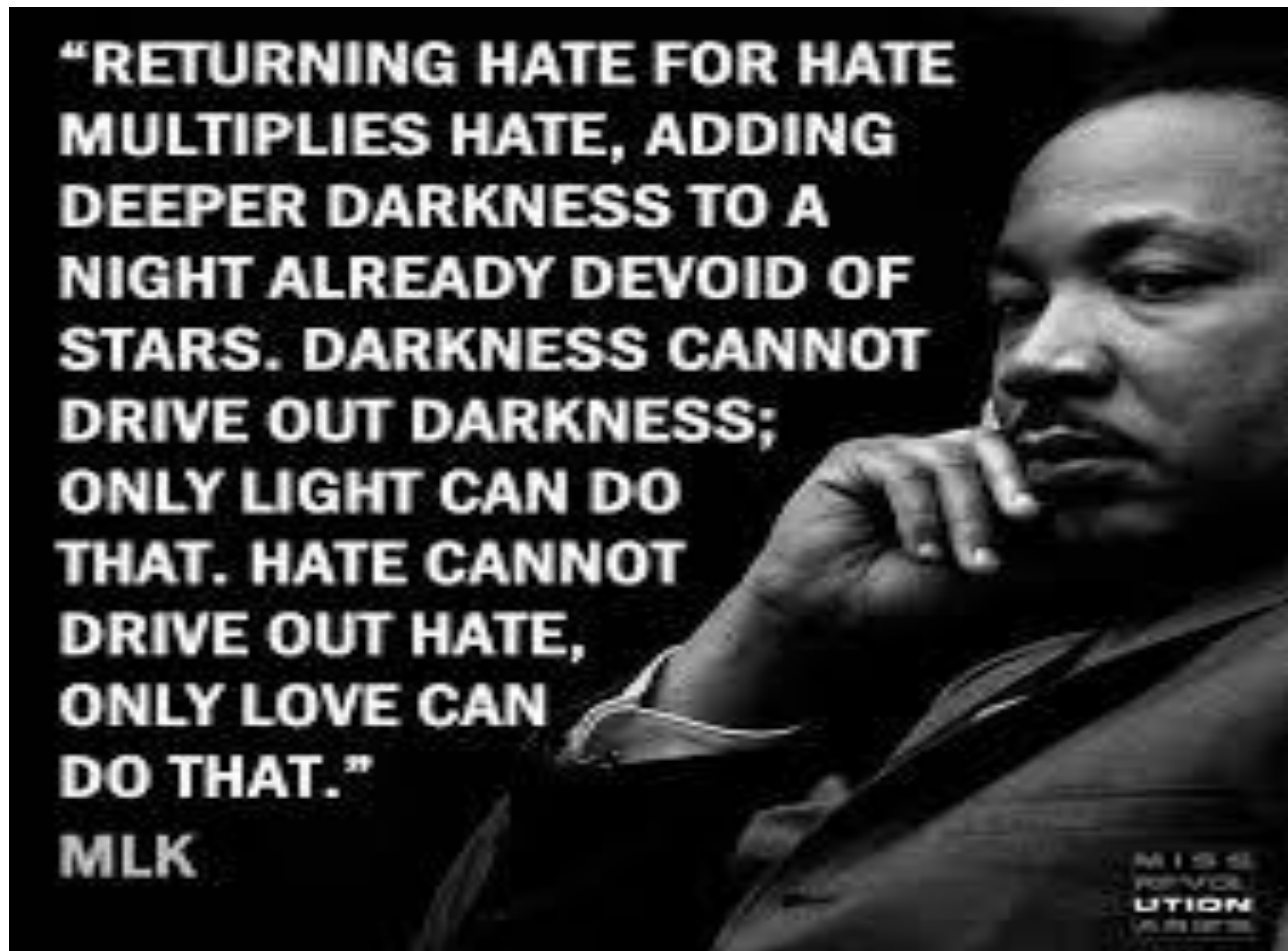

I sat under the Tree of Democracy, the leaves were all brown and most of the branches were all bare, I was beginning to think no one was left alive who really did care.

So I looked all around but did not hear not a single sound, I stood up for America and stomped my feet on the ground and the lauder I yelled for FREEDOM and the RED WHITE and BLUE the more leaves on the Tree of Democracy grew. I realized that it was up to you and me in making sure the Tree of Democracy grew and I think deep in your heart you know exactly what to do.

So let's all gather round and make a powerful sound, let's stand strong for FREEDOM and the RED WHITE and BLUE and let's shake the Tree of Democracy for me and for you….

What did Martin Luther King say about freedom and healthcare?

"We know through painful experience that freedom is never voluntarily given by the oppressor, it must be demanded by the oppressed."

Of all the forms of inequality, injustice in health care is the most shocking and inhumane.

Injustice in healthcare shows that government really doesn't care if poor people die. This shows the unfortunate state of the world that we live in.
